Debris Loader

The *Debris Loader* manufactured by Tiffin Loader Crane is the ideal solution for lifting, loading, and clearing any and all types of debris. All movements are controlled by self-contained in-cab controls or by a radio remote handset. The *Debris Loader* has been a proven time-saver and greatly reduces the risks of accidents while working. Please contact us for more information and pricing at (419) 448-8156 or email us at sales@tiffincrane.com
